Every community has their own traditional way of performing some rituals please discuss in person and I would love to accommodate them.

According to our Vedas in the addition of Puja dakshina you're supposed to offer Dhoti-Kurta to pandit ji however, I recommend you to choose from Pant, Shirt, Kurta-pajama, Sweater, Hoodie, Jacket or any other new cloth. Please provide gift receipt if possible in case I need to change the size of it.

Do not forget to confirm once you receive the details
